INTRODUCTION

This policy booklet contains three parts, your:
• Product Disclosure Statement;
• Policy Terms and Conditions; and
• Financial Services Guide.

PRODUCT DISCLOSURE STATEMENT (PDS)

The PDS is designed to help you understand what you need to know about Petmed so that you can decide whether to proceed with this cover. The PDS has been prepared by Hollard, who is the insurer and product issuer. Hollard has sole responsibility for the PDS, for each Petmed policy issued, and for the assessment and payment of claims.

The PDS describes the main features and benefits of Petmed. Any information contained in the PDS is general information only and does not take into account your individual objectives, financial situation or needs. Before acting on this general information, you should consider the appropriateness of the general information having regard to your individual objectives, financial situation and needs.

POLICY TERMS AND CONDITIONS

The Policy Terms and Conditions of Petmed have been written in plain language to help you understand the insurance cover offered, as well as an insured’s rights and obligations under a Petmed policy.

You should carefully read the PDS and the Policy Terms and Conditions in this booklet before making any decision about whether to purchase Petmed. Note that you have a cooling off period and certain cancellation rights.

FINANCIAL SERVICES GUIDE (FSG)

The FSG contains important information about the services provided by MS, Amway and other persons or organisations listed in the FSG in relation to Petmed, how they are remunerated in relation to the services offered, and their internal and external dispute resolution procedures. It is designed to assist you in deciding whether to use any of their services. MS, Amway and other persons or organisations providing the services are responsible for information relevant to them in the FSG.

* Information about insurance coverage in this section is a summary only. You should read the Combined PDS, Policy Terms & Conditions and FSG for full details of Terms and Conditions, Waiting Periods and Exclusions.

PRODUCT DISCLOSURE STATEMENT

Hollard is solely responsible for the PDS and is the insurer under each Petmed policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel Petmed on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. MS and Amway are authorised to distribute and promote Petmed but does not issue policies and is not involved in the assessment or payment of claims.

**This PDS contains important information about:**
- significant features and benefits of Petmed;
- your Duty of Disclosure when applying for Petmed;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing Petmed.

Please note that, while this PDS provides a summary of the significant features and benefits of Petmed, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).
Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time if certain changes occur and where required by law. If the change results in a material change from the PDS you hold, we will provide you with a new PDS or supplementary PDS.

PROTECTION FOR YOUR PETS

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), Petmed provides:

- financial protection for Vet Expenses in respect of the insured Pet resulting from sudden and unexpected Accidental Injury or Illness (depending on the level of Cover selected by you) occurring or first showing clinical signs within the Policy Period and after any applicable Waiting Period; and

- cover for eligible Vet Expenses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas).

‘Vet Expenses’ are defined in Section 1 – Definitions on page 14 and may be subject to stated limits, Excesses and applicable Waiting Periods.

UNDERSTANDING THE LIMITS OF THE INSURANCE

Petmed transfers many of the financial risks pet owners face for Vet Expenses from the insured to the insurer. However, Petmed does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations that help keep premiums low. These include, but are not limited to, conditions such as pregnancy, elective procedures, pet foods/diets, grooming and medical conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the policy Commencement Date or that arise during the applicable Waiting Period.

Full details are specified in the Policy Terms and Conditions (pages 10 to 22).

YOUR OBLIGATION TO US (DUTY OF DISCLOSURE)

Before you enter into a contract of general insurance with us, you have a duty, under the Insurance Contracts Act 1984, to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms. This includes but is not limited to matters relating to the health of your Pet and the nature and extent of the insurance cover provided.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of a matter:
- that diminishes our risk;
- that is of common knowledge;
- that we know or, in the ordinary course of our business, ought to know; or
- as to which compliance with your duty is waived by us.

This duty applies to everyone who is insured under the policy. The duty applies until your Petmed policy is entered into and again, where relevant, when it is renewed, extended, varied or reinstated. If anything changes between the time you provide answers or make disclosure and the time the policy is entered into or renewed,
extended, varied or reinstated (whichever is relevant), you need to tell us.

If you fail to comply with your Duty of Disclosure or make a misrepresentation, we may be entitled to reduce our liability under the contract of general insurance in respect of a claim (this may be to nil) and/or may cancel the contract.

If your non-disclosure or misrepresentation is fraudulent, we may also have the option of avoiding the contract from its beginning.

**CALCULATING YOUR PREMIUM**

Your premium is calculated when your Petmed policy begins, and at each policy anniversary (and if you vary or extend cover). The premium is calculated based on a number of factors, including the risks associated with the insured Pet and is printed on the relevant Certificate of Insurance. In calculating your premium, we may consider the Cover you have chosen, the Excess and the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live, the species, breed and age of your Pet. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST).

**COOLING OFF PERIOD**

You have a full 21 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Petmed policy. This is known as the “cooling off” period. During this time you may cancel the policy simply by writing to us. If we receive your written request to cancel your policy within the 21 day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since commencement or renewal, less any reasonable administrative and other transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

You cannot return your Petmed policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the 21 day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in Section 8 – Cancellations on page 19.

**YOUR PRIVACY**

FINANCIAL CLAIMS SCHEME AND COMPENSATION ARRANGEMENTS
We are an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from the APRA website at http://www.apra.gov.au and the APRA hot line on 1300 558 849.

AUTHORISED FOR ISSUE
This PDS including the Policy Terms and Conditions was prepared by Hollard. Amway, MS and PetSure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS.

These statements appear throughout the PDS.

POLICY TERMS AND CONDITIONS

THE Petmed POLICY

Upon acceptance of application for your Cover, you will be issued a Certificate of Insurance. We will issue a new Certificate of Insurance:
• on renewal of your policy each year; or
• if you or we change your Cover.

Your policy will continue for a period of twelve (12) months from the policy Commencement Date unless cancelled by you under the cooling off period as explained on page 7 or cancellation provisions of the policy as explained in Section 8 – Cancellations on page 19. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year, refer to the “Automatic renewal of your policy” section on page 11).

Your policy comprises of the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

THE BASIS ON WHICH WE INSURE YOU

Subject to the terms and conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Accidental Injury or Illness Conditions up to the specified Benefit Percentage and Benefit Limit, less any Excess which may apply provided that:

• you have paid or agreed to pay the premium to us for the Cover provided;
• the Accidental Injury or Illness Conditions (whichever is applicable) arose during the Policy Period; and
• the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy we rely on the presentations made by you during your application for insurance.

Cover under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state what your Pet is covered for.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

AUTOMATIC RENEWAL OF YOUR POLICY

We will advise you regarding renewal of your policy prior to the expiration of the current policy. We reserve our rights to change the terms and conditions of the policy upon renewal to reflect the risk associated with insuring your Pet based on factors such as (but not limited to) your Pet’s age, location and medical history.

Unless otherwise notified, your Cover will be automatically renewed on the terms contained in the renewal offer. We require you to notify us in writing should you decide not to renew your policy.

DELIVERY OF YOUR POLICY DOCUMENTS

If you have agreed to receive your policy documents and notices electronically (via email), all notifications successfully delivered to the last notified email address will be deemed to have been received by you on the transmission date recorded in our systems. If at law we are not obligated to provide printed versions of material delivered electronically, we may nevertheless choose to deliver certain notifications by mail in printed form. All such notifications will be deemed to have been successfully delivered once mailed by us to you at your last notified postal address.

SOME IMPORTANT THINGS YOU SHOULD KNOW

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period.
Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a condition of cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

SECTION 1 - DEFINITIONS

When interpreting these Policy Terms and Conditions:
• references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa; and
• monetary references are in Australian dollars.

Words that are capitalised have the special meaning explained below:

Accidental Injury means physical harm or injury arising from an accident. For the purposes of this policy, an accident is:
• a single specific, unpredictable, unusual and unintended external event which occurs at a particular time and place, with no apparent or deliberate cause but with marked effects; and
• is independent of any other cause including any Pre-existing Condition.

Note: Conditions covered by the Accidental Injury Cover Section of the policy are specified in Section 2 on page 14.

Benefit Limit means the total amount payable under your policy for each Cover selected. This is the annual maximum amount, inclusive of any applicable sub-limits that we will pay within the Policy Period as shown on your Certificate of Insurance. Note: The Benefit Limit may be subject to any Excess payable.

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits and Excesses. Note: The applicable Benefit Percentage will be shown on your Certificate of Insurance.

For example: for a 65% Benefit Percentage we will reimburse you for 65% of the eligible Vet Expenses, subject to Benefit Limits and Excesses payable. Refer to page 21 for an example of how claim payments are calculated.

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments). Note: When applying a Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition.

For example: if your Pet displays clinical signs of a cruciate ligament Condition in the left leg prior to the Commencement Date of the policy or during the Waiting Period, Vet Expenses for a subsequent cruciate ligament Condition in the right leg will not be covered.

Certificate of Insurance means the relevant certificate we provide outlining the key details of the contract of insurance between you and us, and identifying the policy number, Commencement Date, Cover End Date, insured Pet, schedule of benefits including Benefit Limits.

Commencement Date means 23h 59 on the date when Cover for your Pet first started as shown on your Certificate of Insurance.

Condition means any Accidental Injury, or any manifestation of an Illness.

Cover means Accidental Injury and Illness Cover.
Note: The Cover applying to your Pet is shown on your Certificate of Insurance. The Cover includes the Additional Benefits explained in Section 4 on page 15 and if selected the Optional Benefit explained in Section 5 on page 17.

**Elective Treatment** means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet’s survival or does not form part of the Treatment for a Condition. Refer to Section 6 – General Exclusions on page 17.

**End Date** means 23h 59 on the date upon which your policy terminates and benefits cease. Note: The End Date is shown on your Certificate of Insurance. If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

**Excess** means the first amount of a claim we do not pay and which you are required to pay yourself as shown on your Certificate of Insurance. Note: The Excess is deducted from your benefit for each Condition treated during the Policy Period that is not related to any other Condition treated during the same Policy Period. Refer to page 21 for an example of how claim payments are calculated.

**GST** means the Australian Goods and Services Tax at the officially published tax rate.

**Illness** means a sickness or disease diagnosed by a Vet which is not included under Accidental Injury Cover.

**Pet** means a dog or cat covered under the policy and named on your Certificate of Insurance.

**Policy Period** means the time during which we provide Cover as specified on your Certificate of Insurance.

**Pre-existing Condition** means any Condition(s) or symptoms or signs of that Condition occurring or existing in any form prior to the Commencement Date or during any applicable Waiting Period. Including but not limited to:
- any cruciate ligament Condition;
- any Skin Condition (as defined);
- latent infectious Conditions that manifest within a known incubation period indicating clear evidence that the Condition had existed prior to the Commencement Date;
- any Condition in remission at the time of the insurance application;
- any seasonal Condition;
- Conditions currently or previously being controlled by medication(s);

and whether or not diagnosed or treated by a Vet. (If your Pet has a Pre-existing Condition, please also refer to definitions for a “Related Condition” and a “Bilateral Condition”).

**Related Condition** means a Condition that even though it has shown first signs or symptoms during the Policy Period (outside of the Waiting Period), is considered to be a Pre-existing Condition if it has the same clinical symptoms, diagnostic classification or results from the same disease process as a Pre-existing Condition regardless of the number of areas of your Pet’s body affected. For example: if your Pet suffers from arthritis in its legs prior to the Commencement Date of the policy or during the Waiting Period, all future occurrences of arthritis for example in the back or neck, will be considered to be Related Conditions and will not be covered.

Cover under the policy is provided on the basis that you have paid or agreed to pay us the premium for the Cover provided. The amount you pay is shown on your Certificate of Insurance and includes all premium, administration fees, commissions and any applicable government taxes, fees and/or charges.

### 7.1 Paying your premium

1. The premium is payable when you takeout a new policy and when you renew your policy.
2. You may choose to pay the premium:
   - annually by credit card or direct debit; or
   - monthly or fortnightly by instalment by credit card or direct debit.
3. When premiums are paid monthly or fortnightly by instalment, claims are paid on the basis that you agree to pay the remaining premiums for that Policy Period.

Note: If we accept and pay a claim under the policy, we may deduct the balance of any outstanding premium from the claim payment.

### 7.2 Paying on the due date

1. Your policy will not operate until you have paid your premium (or your first instalment if you have elected to pay by instalments).
2. Your premium must be paid on or before its due date.
3. If you don’t pay a premium instalment by the due date then:
   - if the unpaid premium remains in arrears for more than thirty (30) days we may cancel your policy without notification; and
   - if at least one instalment has remained unpaid for a period of at least fourteen (14) days then we may refuse to pay your claim/s.
4. If we cancel your policy due to non-payment of an instalment premium you need to be aware that:
   - no benefits or entitlements can be paid under the policy,
   - you may be refused cover in the future under any policy administered by PetSure, and
   - any application for general insurance products in the future may be affected because you had a policy cancelled as a result of unpaid premiums.

**SECTION 8 - CANCELLATIONS**
8.1 Cancellation by you

You may cancel your policy at any time by giving us notice in writing of your intention to do so. The cancellation will be effective at the time the notice of cancellation is received by us. If you do cancel your policy for any reason other than the death of your pet, you will be charged a cancellation fee.

We will only accept notices of cancellation given in writing and signed by you. We will not accept cancellation requests by telephone or email unless agreed to by us.

If you return your policy during the 21 day cooling-off period, we will refund any premiums paid since commencement or renewal, less any reasonable administrative and other transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund. You cannot return your policy if a claim has been made or other right exercised under the policy.

If you cancel the policy after the cooling off period and you have paid the annual premium in full, provided no claim has been made or other right exercised under the policy, we will refund the premium less an amount that covers the period for which your Pet was insured, and any statutory fees.

If you cancel your policy for whatever reason (other than the death of your Pet) after having made a claim, no premium refunds are payable and the remaining premium for that Policy Period must be paid. Any outstanding premium may be deducted from any claim payment owed, or alternatively, charged to your nominated bank/credit card account. This clause survives termination of this contract.

8.2 Cancellation by us

We may cancel your policy where the law allows us to do so. If we cancel your policy, we will refund any money we owe you less any non-refundable statutory fees. If we cancel your policy due to fraud, we will not refund any money to you.

For more information about cancellations refer to Section 7 - ‘Premiums’ on page 19.

SECTION 9 - CLAIMS

9.1 What you need to do

1. All claims must be completed carefully and honestly on an Petmed claim form, and then submitted by mail to Petmed. Claim forms are available on request by calling 1300 732 172 or can be downloaded from www.Petmed.net.au.
2. If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
3. All claims should be submitted and received within ninety (90) days of the relevant Treatment being provided.
4. The attending Vet must complete the section on the claim form where designated.
5. Both you and the attending Vet must sign the claim form.
6. Please attach the original itemised invoices and payment receipts to the completed claim form. All claim documentation must be originals. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim.
7. You agree that your Vet (current or previous) is authorised to release information and/or records to us about your Pet.
8. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
9. You agree that we have the right to decline a claim where you or your Vet refuse or are unable to provide
information reasonably requested by us to process your claim.

10. We will not reimburse you for the provision of any information required in the administration or execution of the policy including the provision of any information in relation to a claim made under this policy nor for the assistance provided to you in the completion of any form relating to the policy.

9.2 What we will do

1. We will deal directly with you regarding settlement of the claim.
2. We will pay you, not the Vet.
3. If the Vet Expenses:
   a. are considered by us to be excessive or unreasonable; or
   b. are higher than the Vet Expenses normally charged by a general or referral practice; or
   c. in our opinion may not be required; or
   d. are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices,

   then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver of our rights to apply the Policy Terms and Conditions retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

9.5 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

SECTION 10 - DIRECT DEBIT REQUEST SUMMARY

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard, MS, Amway nor PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within fourteen (14) days.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

SECTION 11 - GENERAL INFORMATION

Changing level of Cover

If you opt to transfer your Pet to a level of Cover with higher or additional benefits (including but not limited to a higher Benefit Percentage or lower Excess) then the additional or higher benefits will not apply to claims for Conditions first noted, diagnosed, or treated prior to the policy upgrade. In such cases, benefits will be restricted to the lesser of the maximum benefits payable under the:

a. current level of Cover; or
b. policy that applied during the Policy Period in which such Condition(s) was/were first noted, diagnosed, or treated.

For the sake of clarity, maximum benefits referenced in this section include taking the following factors into consideration:

- the policy Benefit Limit;
- applicable sub-limits;
- applicable Benefit Percentage and Excess; and
- any applicable policy exclusions.
